## Video Prices

Take comfort in knowing that your special day will be captured on our professional video cameras. And, to make sure your vows are heard, and can be remembered for a lifetime, all of our packages include a wireless microphone for the groom at no extra charge. Our Economy package is a non-edited presentation of your ceremony, being produced in its entirety. The remaining packages are professionally edited including fades, dissolves and special effects, along with interviews of friends and family and presented in a fast-paced format for your repeated enjoyment year after year.
